MR. PIANO MAN

Our weekly visits from Vinson Hill are much anticipated. Not only is Vinson a lovely gentleman, but he is also an excellent pianist with over 50 years experience. His repertoire is endless. Of particular note is Vinson's rendition of George Gershwin's "Summertime," which he plays at the request of our resident, Bess, who can be seen fingering each note as she sings along in her beautiful soprano voice.

Vinson was raised in Hollywood and is most comfortable with celebrity, having had a dad in show business. He has performed for many years in exclusive clubs in the metro area with many famous artists. Vinson was a professor of Jazz at William Patterson College and music director for Rockland Center for the Arts' "Two's a Crowd."

Thank you, Vinson. An hour in your audience soothes, relaxes and enriches the senses of each of us!

EMPLOYEES OF THE MONTH

It is with great excitement and some emotion that Minda and Benji Magboo were announced as December's honorees. Dec. 3 was the first anniversary of the Magboos' employment at the Esplanade, and the residents agreed that this "dream team" should be rewarded and recognized together.

Benji and Minda were called hardworking, diligent, courteous, wonderful, obliging ... and no, that's not all ... They were also called extraordinary, terrific, reliable and a fantastic team.

Benji is our handyman who always goes above and beyond what is expected of him. An example is the four, custom-made, over-sized bulletin boards he made for both the upstairs and downstairs activity rooms so that our residents' arts and crafts are displayed in style.

Minda is in housekeeping and does everything for everybody and always cheerfully, with a smile on her face. Minda is our treasure!

Congratulations to each of you ... The Esplanade is a better place because of you!

C-R-A-F-T-S!

Monday morning at the Esplanade has everyone wondering what the latest craft project will be ... To date, we've made yarn dolls, a pumpkin patch, squirrel magnets, friendship bracelets, painted rocks and gingerbread houses. We've worked with paper marquetry, paper weaving, knit, crochet and even made wooden snowflake photo frames.

Coming up this month are beaded snowflake bracelets, orange and clove pomanders, knit and crochet. Our growing group of crafters is just so talented. They have lots of fun but take their projects very seriously. Our crafters are delightful to watch as they happily work on completing their masterpieces. They are proud to either display their work, bring it to their rooms or give it as gifts.

We are having a talent show of all the residents' handmade projects, current or past, the week of Jan. 18 ... Please stop by the 1st floor activity room to see our residents' work showcased.
